Meeting called to order: 7:00pm

Agenda Item:

Review and approve proposals for street resurfacing.

Kathleen Gilligan received two bids for the resurfacing of Spyglass Hill. The two companies bidding were Dryco and American Asphalt. Both came highly recommended from other Associations who have used them.

The Board voted to approve Dryco's bid of \$59,000 to resurface the street, which was \$3,000 less than American Asphalt's bid.

Kathleen will call Dryco to schedule the street resurfacing for later in August or September. The resurfacing process should take 1-2 days.

Meeting adjourned: 7:15pm

UPDATE:

The street resurfacing has been scheduled! Please make note of several upcoming dates, during which there will be no driving on Spyglass Hill, and no parking in the guest spots along the street.

We encourage you to park your cars along Hiller Drive the night before if you will need to use them.

If you have a guest, please let them know not to park in the guest parking spaces.
